

Greetings family,

Philippians 1:6 (ESV) **He who began a good work in you will bring it to completion at the day of Jesus Christ.**

God designed life to be marked by seasons. Winter gives way to spring rains that nourish the earth, sending forth the vibrant blooms of summer, which in turn surrender to autumn. As you receive this letter, the winter season is in full swing. Through the change of seasons, God provides a way for us to observe the passing of time and celebrate endings and beginnings.

As we embark on the third quarter of 2024, my prayer for all of us is, as Philippians says, "He who began a good work in you will bring it to completion at the day of Jesus Christ." Whatever God started to do in your life this year, continue to push forward and see it through to completion.

As we continue to look at the vision of "GREATER," we trust God for greater things in your life this quarter. We have some exciting events planned for everyone. So, familiarize yourself with our church calendar and ensure you mark those dates when applicable to you.

We pray that you experience the abundant love of our Lord and His protection for you and your family.

With much love and blessings,
Pastor Callie
